Re: Administrative Order Closure
Docket No. SDWA-08-2005-0024
PWS ID #5601252

Dear Sir or Madam:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket Number SDWA-08-2005-0024, issued to the American Colloid Company ("ACC") on June 8, 2005. Based on the information provided by ACC, EPA has determined that ACC has complied with the requirements of the Administrative Order.

Please be aware that ACC is still required to comply with the National Primary Drinking Water Regulations (NPDWR), 40 C.F.R. Part 141. Violation of the NPDWRs or an administrative order may subject ACC to a court-imposed injunction and penalties of up to \$32,500 per day of violation.

Thank you for your cooperation in resolving this issue. If you have any questions related to this matter, please call Kathelene Brainich of my staff at (800) 227-8917 X6481.

Sincerely,

Lisa Kahn, Team Lead
Drinking Water Enforcement Program
Office of Enforcement, Compliance
and Environmental Justice
